Verse:

Bbmaj7 Bbmaj6
Holy One

Am7
Your love is like a burning fire
Gm7

So free and so wild

Am7
It purifies me
Bbmaj7 Bbmaj6
A love so strong

Am7
It chases down this heart of mine
Gm7

No matter how far

Am7
I could run for miles and miles

Chorus:

Bbmaj7
But there's nowhere to hide and no escape
Gm7

No matter how far I run away
Am7

You still love me
Bbmaj7

And nothing in life can separate
Gm7

No depth, no height can change the way
Am7

You still love me

Verse 2:

So how can I respond to such a love divine?
So free and so wild
I cannot repay this love

Though I try
I still fall short a thousand times
But you call me your child
And you keep pouring out your love, oh

Chorus:

'Cause there's nowhere to hide and no
escape

No matter how far I run away
You still love me

And nothing in life can separate
No depth, no height can change the way
You still love me
